Pirates At Play

The "Ragan" Administration

Sparked by the drive of Editor Tami Ragan and the faith of advisor Joe Bond, the 1985 Jolly Roger staff worked to make this years edition the best! Members sought the thing that made 1984-85 unique. The answer was in the staff room itself, for working very closely with the Editor was Production Editor Regina Angon and Business Manager Jon'a Meyer.

Most people don't realize all the time and efforts that go into producing a Yearbook, most don't even know who the Yearbook Staff is. But we're here, planning layouts, preparing copy, and cropping pictures.

We have done all we can to make your Yearbook both exciting and memorable! Indeed a year to remember!

1984-85 Homecoming Goes Off With A Bang!

On the night of October 26, 1984, the crowd in the Pirate Stadium went wild as the five anxious contenders for the honor of Homecoming Queen rounded the track in classic M.G.'s with their fathers.

The tension mounted as each girl approached the stage. The moment they had all been waiting for was about to commence! The lights in the stadium went out, balloons went up, fireworks boomed and emblazed in lights was the name of our 1984-85 Homecoming Queen - Y-V-E-T-T-E! What a night! I'm sure that was a moment, Her Majesty, Yvette Martinez will never forget!

Pete Pirate

Chosen as this years Pete Pirate was none other than Brian Brokenbough. The students of P.H.S. voted this ambitious young man as the person they thought best represented Paramount High School. It was an honor he truly earned and deserved. Throughout his four years here at P.H.S. Brian has been involved in various activities and sports. He has participated in baseball since his freshmen year, and has been a very valuable member to the team. His first year on the team he was voted the athlete of the year. Aside from all this in his senior year Brian became involved with student government. He was first elected to the position of Commisioner of Athletics, but soon moved on. In the second semester of his senior year Brian was elected into the office of A.S.B. President. Brian certainly has a lot of memories to take with him after graduation.

She is also a member of the French Club, M.E.S.A. and the Lettermen's Club where she holds the office of Secretary.

Polly Pirate for 84/85 is Marlene Perales. She was chosen by her peers as a true "Pirate's treasure". There's not many people who show the pride and spirit in their school as Marlene. She is active in just about everything that P.H.S. has to offer. She has been a very valuable asset to the class of 85 through her involvement in student government. In her Freshmen year she was class President and the V. Pres. and President in her Junior year, She followed that her Senior year holding the position of President all year. Student Of The Year

Honored as Paramount High School's Student of the Year by the school's administration, Gina Mc Culley, was a most deserving recipient. Very active in school, Gina maintained a grade point average of 3.81 during her four years at P.H.S. to receive High Honors at graduation. Furthermore, Gina was a Seal Bearer in the California Scholarship Federation. She also received further recongnition with the U.S. National History and Government Award and a U.S. National Merit Award. Gina also contributed much to Paramount through her involvement in extra-curricular activities. She was a Varsity Cheerleader for two years, a member of the Corsaires Service Club for three years where she held the offices of both Vice President and President of the club, C.S.F. where she held the office of Secretary, and was a member of the Yearbook Staff in her Senior year. Gina will long remember the fun she had as a Homecoming Princess and also as a participant in the Miss Paramount Pageant. Upon graduation, Gina will attend either U.S.C. or Whittier College where she plans to prepare for a career in Education and pursue an avid interest she has in Computer Science. Gina's years at Paramount High have been a proud tenure of both academic achievement and an individual effort to convince those she was in contact with to share the same pride she held toward the fair Maroon and White. The student body, her teachers, and all her many friends congratulate Paramount High School's Student of the Year, Gina Mc Culley.

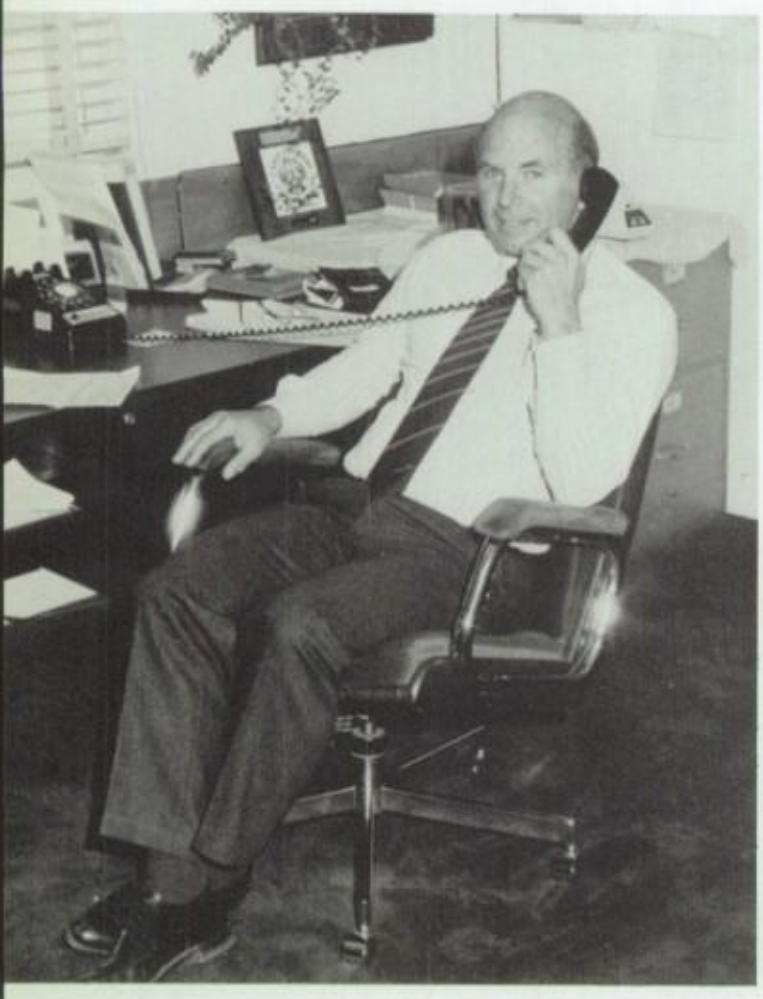
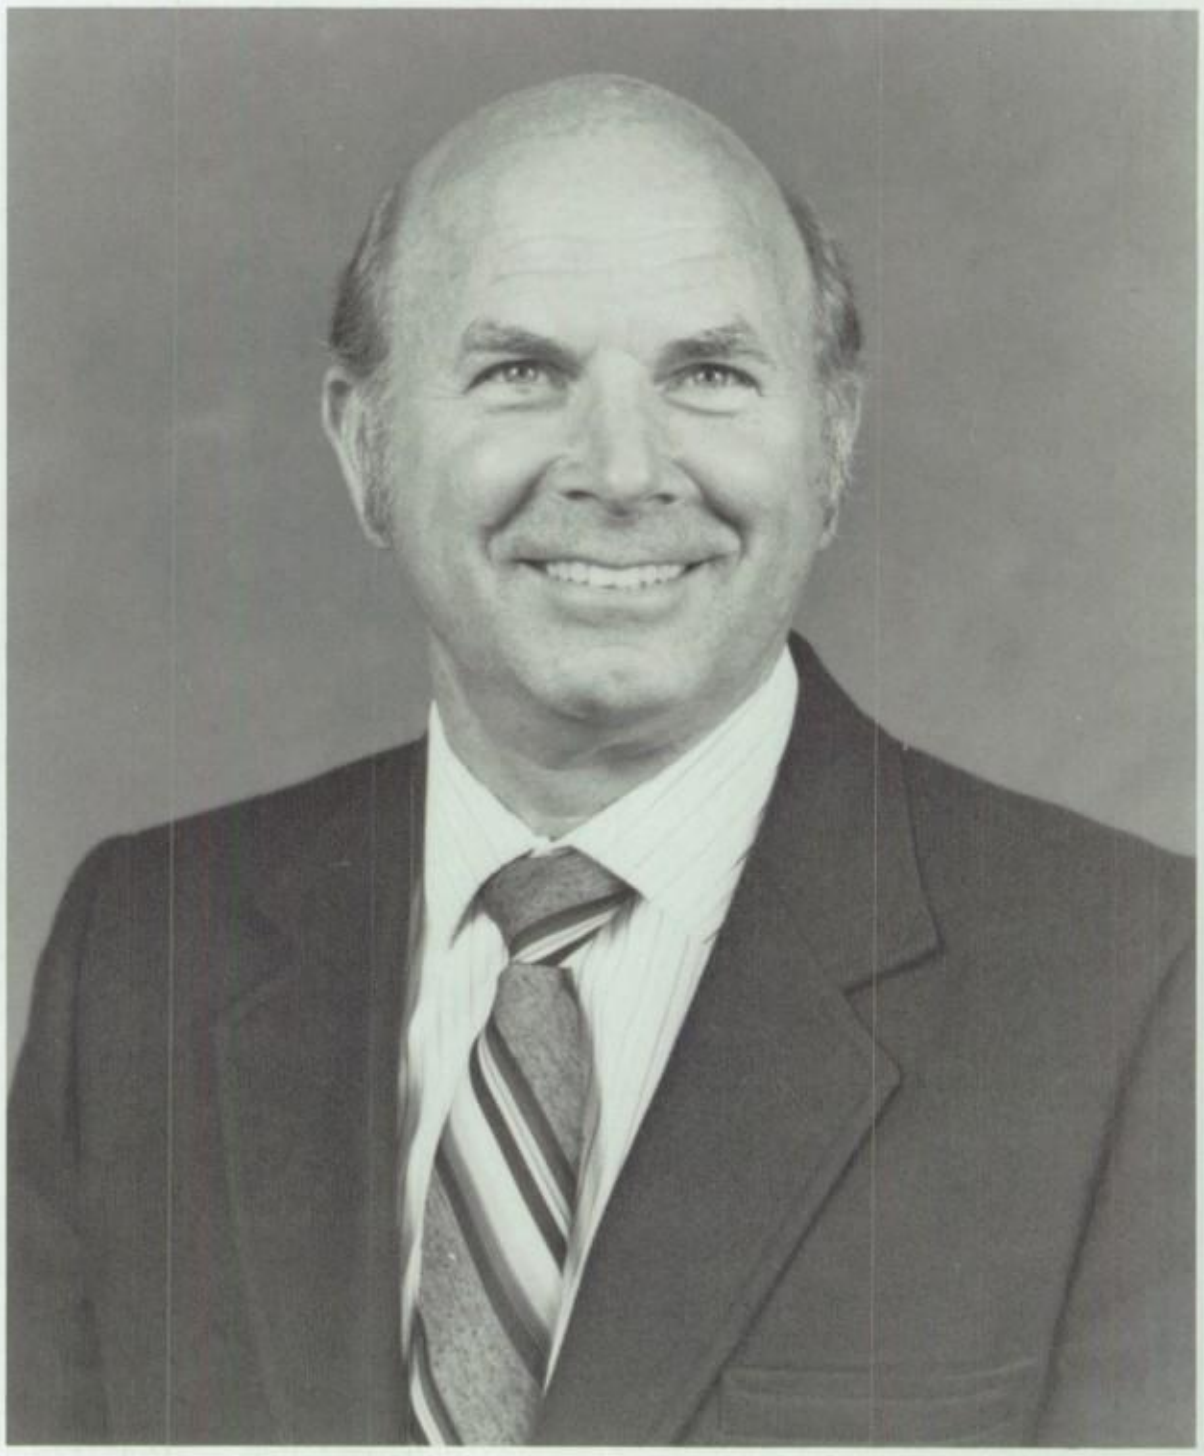
The Spirit Of Paramount High



To The
Class Of
1985



Mr. Douglas Rozelle, Principal

So many good things happened at Paramount High School during your year that I'm very pleased to congratulate you for all your accomplishments.

In the thirty-second year of Paramount High's existence, we saw a new spirit of academic excellence, much of which we could attribute to the efforts of your outstanding class. Yes, you've left your mark on your Alma Mater, a mark in which you can be very proud.

In your future, remember how as an individual you can make a difference in your world and strive for the same excellence you have exhibited at Paramount High School. May I wish you the very best always and God's speed.

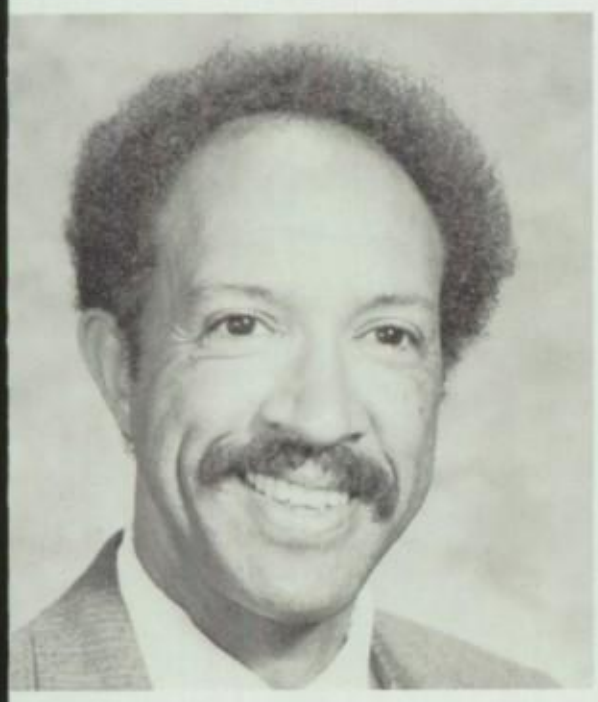
Sincerely,
Douglas Rozelle, Principal

The "A"dministration Team

Dr. Dennis DeNeve, Assistant Principal

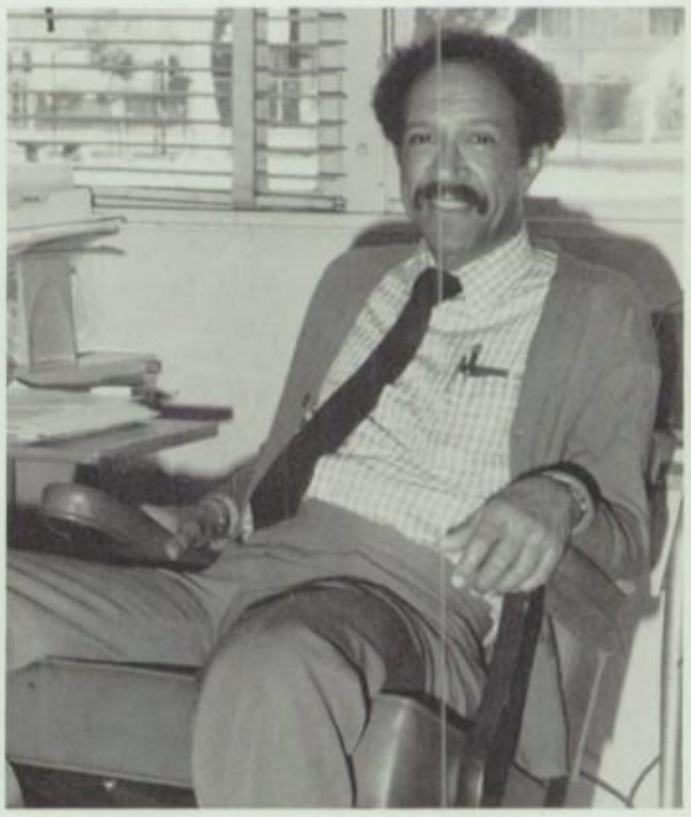
Would you believe how many people I suspended today?!

When Mr. Rozelle has a problem, these are the people who solve it. They each bring years of expertise to their very demanding jobs. Such as, when the computer decides to commit suicide, we call on Dr. DeNeve. He's in charge and he really knows his bits and bytes! Now when testing is required, we summon Mr. Dunn and he goes into action! On a more personal level, when a student visits Dean of Students, Mr. Golji, well . . . We might as well say that it's most likely not a social visit! Where would we be without these men?!



Mr Richmond Dunn, Assistant Principal

Yes, my computer is working! Why do you ask?



I'm just a kick-back kind of guy!

Mr. Massoud Golji, Dean of Students

What are these three plotting this time?!

If You Can Read This, Thank The

In all our tomorrows, we will remember our years at P.H.S. and some where near the top in those memories will be the teachers who made our four years so worthwhile. How they endured our freshman year we'll never know, but somehow they did and we made it to our sophomore year, a year of new dreams and there were our new teachers to make theose dreams a reality. As we progressed to our junior year, the classes became much harder and the teachers more understanding. We really needed understanding, and a lot of T.L.C. Finally, our senior year and we began to realize that our time at P.H.S. was drawing to an end, and soon we would say a fond farewell to friends, wardens and sometimes baby-sitters. It is amazing how much *they* learned as *we* grew older. Now we, the class of "85", see our days dwindle down to a precious few and again we must express our thanks to those who saw us through one of the first great steps in our lives.

Forever Spirited!

This Year's Varsity Yell squad was a very experienced one, having only three new members. Their hard work and determination paid off well when the squad took first place at camp for all events possible. Under the supervision of returning Varsity Yell leader, Tamara Elliott, the squad promoted school spirit and made the rallies and games more exciting.

Keeping The Spirit Alive!

Denyse Geer

Jade Lowe

Under the leadership of Captain Denyse Geer, this year's Varsity Song Squad danced their way into many first places.

With almost every member having dancing experience, this squad came together and produced a prize winning routine. They practiced long and hard and went through many rigorous drills. Along with Varsity Yell, the Song squad supported their school with boisterous voices and cheery smiles.

Yell Shouts It Out!

This year, Paramount's J.V. Yell and Frosh Yell squads were at their best. Both squads practiced hard and it showed in their excellent routines.

Under the supervision of Captain Latania Whitaker, the junior varsity squad mastered their routine and performed it well. They practiced three times a week and completely conditioned themselves into a first rate team. Their hard work paid off when the squad placed well at camp evaluations and various competitions. As you can tell, they were a very strong squad for such a little one.

Unlike the J.V. Squad, Freshman Yell was the largest pep unit this year. They flaunted their style and utilized their size in every way possible. Led by Captain Karen Brasher, the squad proved to be exciting and a most promising one.

Debbie Hernandez-Mascot

This year's Pep Organization has done extremely well. The squads were chosen in May of 1984 and they all practiced hard in the summer. At camp the squads stayed together and provided Paramount High with the prestigious honor of bringing home the coveted Sweepstakes Trophy. During the school year, all four units cheered their teams onto victories. They attended rallies and competitions and brought excitement to both.

This year, Paramount High brought back the Pirate Mascot. Debbie Hernandez carried on the image of the spirited pepster that she is.

They also had a new Advisor, Miss Becky Mangual. Miss Mangual did an excellent job coaching her squads onto competitive victories. She handled the Paramount Competition, along with the assistance of Natalie Romero, with finesse and carried on the tradition of perfection. Paramount High can be truly proud of their cheerful pepsters.

Under the guidance of Head Coach Ken Sutch and assistant coaches Mike Giers, Glenn Kaskela, and Jim Monico, the 1984 Pirates began their season with a close win over Bretheren to claim the unofficial city championship. Even though this team included eight sophomores, four of whom started on offense and two on defense, the Pirates defied sportswriter's and coach's predictions of a last place finish to wind up in a tie for second-place in the tough San Gabriel Valley League with a 4-2 record and berth in the C.I.F. playoffs. Although they lost to No. 3 ranked Esperanza in the first round, the team showed all what Pirate Pride and Togetherness can do.

Junior Varsity Shows Their Stuff

Under the guidance of 2nd year coaches Joe Trautwein and Tony Primrose, the J.V.'s had a great season. Unfortunately, due to a C.I.F. decision, a forfeit was awarded to Dominguez which cost the J.V.'s an official league championship. Nevertheless, the J.V.'s were undoubtedly the finest team around. Great job guys!!!

Girls V. Cross Country-League Champs Again

Lead by Coach Brown and team captains Jackie Castro and Ana Covarrubias, Girls Varsity Cross Country clinched the title of San Gabriel Valley League Champs once again. They not only repeated as Champs, but they were undefeated.

At the beginning of the season, our two top runners were Senior, Ana Covarrubias and Senior Jackie Castro, but to our disappointment, Ana injured her leg at the beginning of the season and was unable to compete in most of the meets. At this point, Jackie knew that she had to take charge. Well, that she did! Jackie went on to win the San Gabriel Valley League Championship title for herself. As a matter of fact, she beat her closest competetor by 30 seconds in the finals! Way to go ladies! This was a year you could all be proud of!

Girls V. Cross Country

Pirate Runners Reign Again . . .

The 1984 season saw Paramount win its second consecutive San Gabriel Valley League Cross Country Championship. Led by strong performances from Senior Billy Villarama and Junior John Mendez, Paramount ended its season undefeated in league competition.

League finals, again, were the highlight of the season. Billy Villarama became Paramount's first ever SGVL Cross Country Champion, finishing just seconds ahead of teammate John Mendez. Mario Bueno finished in sixth place, joining Villarama and Mendez on the San Gabriel Valley All-League Team.

It was a team victory all the way for the Pirates who took five out of the ten places in league finals. "The excitement really started to build during the meet", said Coach Contreras afterwards. "The team has a lot of pride and they really put it together!"

League Champs And C.I.F. In "85"

This is without a doubt the most talented group of underclassmen we have ever had at Paramount. The Paramount J.V. girls not only went through the league undefeated for the second year in a row but also finished first in the Laguna Beach Invitational, Sonnra Invitational, and third in the Mt. Sac Invitational. This was outstanding because of the competition we faced in each of these meets. This year we received 4 outstanding freshmen runners in Mirella Castro, Tonya Pili, Espe Carrasco, and Norma Salas. In addition to them, we had some experienced runners also in Deeana Goodwin, Diane Ferguson and Vicki Biers did great in her first year running. This group has so much potential because 5 out of 7 girls qualified to run Varsity at least once and Mirella Castro lettered Varsity as a freshman. Because of the depth of this team, if they continue to progress, I believe that by the time they are juniors we will be in contention for the C.I.F. finals. I'm almost certain Paramount will continue to enjoy the success of winning with athletes like these. Thanks girls for an outstanding year, I appreciate the sacrifice you made this year, you too have earned the right to call yours Champions.

The 1984 Pirate Jr. Varsity team became the first Paramount team ever to win the Central Park Cross Country Invitational in Huntington Beach. This season also marked the third consecutive San Gabriel Valley League Championship for the Jr. Varsity. Led by Freddy Pena and David Clark, Paramounts J.V. ran tough all year long in defending their league championship.

Paramounts Frosh/Soph team, led by Aaron Tabor and Raul Moreno topped the league with a perfect 6-0 record in defending their second consecutive league championship. "Rapid improvement from successful young athletes has made Paramount a quality competitor," commented Coach Contreras, "they're outstanding individuals, each and every one of them."

Even though they fell short of a C.I.F. playoff berth, the Boys' Varsity Basketball had a successfu season. Lead by seniors Kenny Rogers and Mike Harris, the Pirates finished in a three-way tie fo third place in the San Gabriel League. Under the guidance of head coach T.J. Hardeman and assistant Dave Davies, the Pirates have continued to move up the standings ladder.
Besides the outstanding play of Harris and Rogers, the Pirates were given strong performances b seniors Wayne Manu and Eric Gauss. Also underclassmen Joey Villarama, Cat Taylor, and Fran May played key roles in the Pirate season and figure to be key members on next year's team.

J.V.'s Look To Next Year

Coach Tony Cantu

This year's J.V. team had a tough time in the San Gabriel Valley League finishing in last place. The team, composed of mostly sophomores, lacked size and experience in competing with the other teams in league. In pre-league competition the J.V.'s won three games. Although their record was not impressive, the Pirates showed a lot of improvement over the season. Mike Reid led the team in scoring and James Reudlinger was high in rebounds. Mike Contreras, Juan Torres and Kojuan Williams also played well during the season.

Freshmen Hoopsters Have A Good Year

Coach Mark Holland

The boy's Freshman team did a great job this year under the fine coaching of Mark Holland. They began the year with several impressive wins over teams such as Mayfair, Bellflower, and Mary Star. They then entered league with a 5-1 record and stumbled the first two games. But, like the Pirates they are, they came on to win six of their last eight games closing out the season with a thirteen point win over Cerritos. Great job guys!

This year's J.V. girls Basketball, under the first year tutelage of Mr. Soliven, had a rather disappointing year. They may not have won many games, but at least they never stopped trying. Also, many of the girls were playing basketball for the first time so inexperience was the main culprit. But just wait 'til next year!!!

J.V.'s Ladies in Training!

This year's J.V. Volleyball team had only two returning players; The most valuable being Maria Quesada, and most improved being Laura Zavala. They were an enthusiastic team, and after overcoming inconsistency, finished strong in league play. If all those eligible to return next year do, in fact, return, the team should be very strong.

Varsity Volleyball "Nets" Another Trip to C.I.F.

Under the guidance of Coach Tony Cantu, the 1984-85 volleyball team has proven successful! They've set, bumped, and served their way to victories time after time. This is a team full of truly talented girls! And that's not just our opinion, three of our players were chosen for the All San Gabriel Valley League Team. These exceptional players are Marlene Perales - Senior, Monica Del Muro - Senior and C.E. Foafoa - Sophomore.

Just to point up how good our team is, the Lady Pirates have gone to the C.I.F. playoffs five out of the last six years.

Just for the record, the Most Valuable Player this year was Yvette Martinez and the Most Imprved Player was Yechel Martinez.

What a great year these ladies have had!!

Varsity Volleys The Victory

This years Varsity Boys' Tennis team looks to have the promise of being the best in recent years. With several players returning from the 1984 team, P.H.S. should be a factor in the S.G.V.L. play-off picture. The singles players are relatively equal and are capable of beating anyone on a given day. The doubles teams are evenly matched and should be two of the stronger teams in the S.G.V.L. Coach Castillo looks for this team to make the C.I.F. play-offs and with five returners next year 1986 looks even better.

C.I.F. . . . We're Back Where We Belong!

The girls tennis team may not have been loaded with stars, but it had a lot to shine about. Even though the only returning players were Joyce Carpenter, Trish Rodriguez, and Gloria Song, it wasn't about to dampen their spirits. This only meant that Coach Paul Castillo and the "newcomers" had a great amount of work ahead of them, and it paid off too! The Lady Pirates took a second place in S.G.V.L. and earned their fifth consecutive trip to the C.I.F. Playoffs. Did we ever expect anything less? One thing will always be known of the Varsity Girls of 84-85, there weren't any outstanding strengths-just an overflowing amount of determination, courage and practice!

It was another exciting season for the J.V. team as they took another S.G.V.L. championship. This was their fifth consecutive year as a championship team. Among their outstanding players were: Elva Ramirez with Juliette Garcia, as their 1st doubles team, and Kossina Kong with Cameo Jordan as their 2nd doubles team. Leading the team through yet, another victorious season was Coach Glenna Castillo. Mrs. Castillo has been the girls J.V. Coach ever since they began their winning ways.

The J.V. Soccer team really did play for kicks." They polished their game in anticipation of being on the Varsity team in 1985-86. Mr. Trautwein continued to work with his charges to insure their ability would be up to the facing the tough competition of the San Gabriel Valley League.

With a positive outlook, Coach Munoz's *futbolistas* headed for their second trip to C.I.F. in three years, led by Captain Jose Luis Campos, and their outstanding goalie, Martin Castro; the team kicked their way to leadership in the S.F.V.L. losing only one game. There's No Place Like "Home!"

This year, Varsity Softball struggled through the season with only three returning players. The team was fairly young but it contained four seniors: Patty Shipley, Shelly McDonough, Marlene Perales, and Lydia Munoz. Since this year's team is so young, Varsity Softball is looking forward to a promising season next year led by experienced players. With second year coach, Dave Davies, the team was supplied with more stability and inspiration.

J.V.: "Witham's Warriors Work to Win!"

This year's J.V. Softball team had many talented players. In fact, Elaine Cruz and Raquel Guerro were moved up to the Varsity level before league even started. Coach Witham's spunk inspired the players to do their very best. With Geni Afemata and Andrea Ostrander on 2nd base, Sherri Bowen, Rosalind Ledesma, and Shawn Landrum outfield, Ana Dominguez and Priscilla Raigosa on 3rd base, Ruth Murphy, Laura Rueda, and Karen Brasher as pitchers, Dionne Dorenfield on 1st base, Lupe Campos as catcher, Rosa Carrillo as Short Stop, and Deniese Collins in centerfield, the team really pulled the season together.

1985 Junior Varsity Baseball Team

Coach Giers

1985 was a real struggle for the J.V. Baseball team. A completely new team and a new coach, Coach Giers, set out in February to form a nucleus for a winning team. However, nothing came easy for the J.V.'s, and having to compete in the rugged San Gabriel Valley League made their task even harder. The team produced some solid players that should enhance the Varsity team in 1986.

Young Pirates Look To Future

Under the direction of second-year Head Coach Vince Torres, the Pirate Varsity Baseball team struggled to regain the high status they gained last year as CIF semi-Finalists. With only four seniors, Brian Brokenbough, Darren Evans, Scott Wolf, and Brian Hunter, the young team will put their eyes toward the future. With such players as David Higgins, Sal Curiel, Pat Sweet and Emory Stilton, to return the outlook will be a bright one in the next few years for the Pirate baseballers.

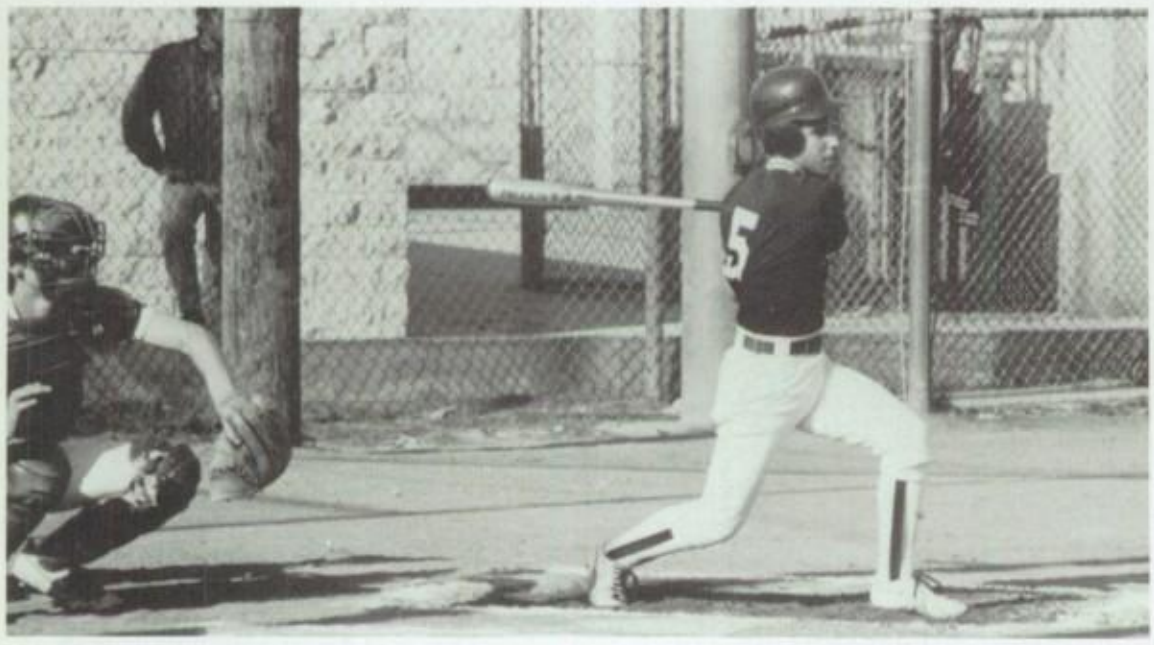
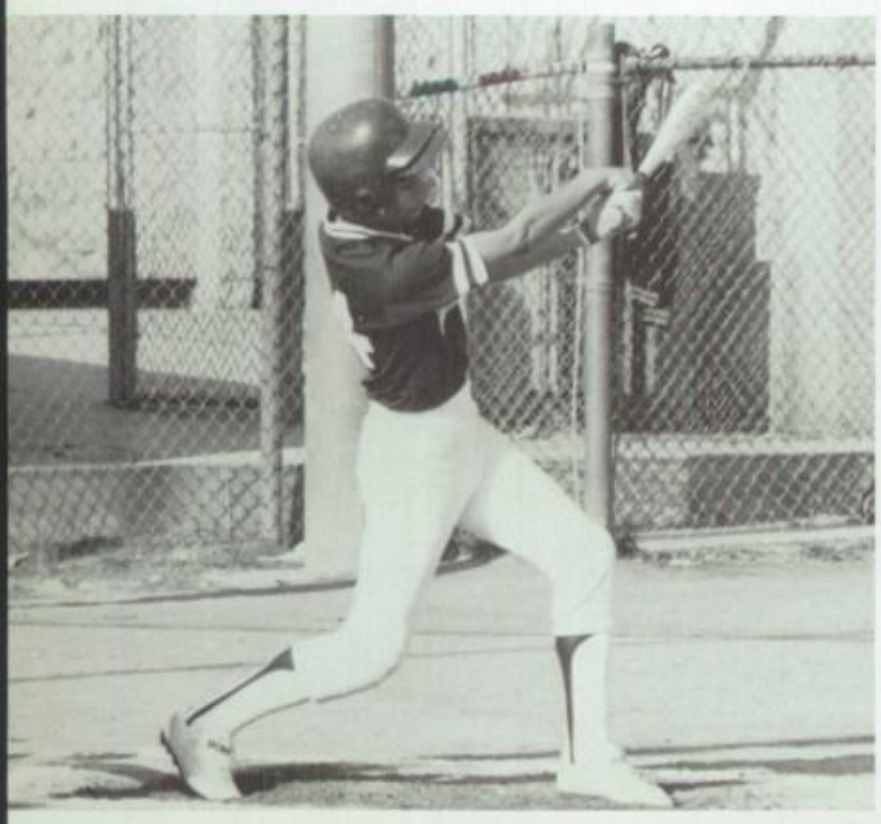
Coach Edgmon





Under Coach Edgmon's first year tutelage, the frosh baseball team had a fine season. Playing on the rough field over at Clearwater Junior High, the freshmen have paid their dues and are ready for an exciting Junior Varsity year. Good luck guys!

Running For Glory

Again, the frosh-soph boys finished with the best. The frosh-soph team has finished 1st, 2nd (twice) and 3rd the last 4 years. At this time, the Pirates were favored with Lynwood and Downey to win the league.

Returning top athletes from last years team include: Garrett Spencer (f-s school record holder in the H.J. and 440), Beto Beltran (f-s record holder in the 330i.h. and 120h.h.), Val Afemata gave us strength in the shot put, and Tom Watkins and Geno Medina were the best in the mile and 2 mile. In the sprints, newcomers, Joe Hatchett, Su O, Alan Pierce and Terri Rabb were consistent winners.

Our continued success at the frosh-soph level has come from hard work, and continued support from our other athletic programs. Other promising newcomers are: Tim Dudley, Julio Perez, Oscar Cervantes, Yuri Salmeron, Freddie Pena and Prathna Kong.

Coaches: Glen Kaskela, Aggie Contreras, Don Brown, Dennis Hudson

Making Tracks Towards Perfection

This has been one of the best varsity boy's teams at P.H.S. in about five years. The Pirates were one of the top three teams in the S.G.V.L. It was an exciting year. A number of team members earned medals at invitationals, and at league finals.

A mixture of returning Lettermen and a number of new athletes aided in the Pirate's success.

Individual standouts were: Distance Runners: Bill Villarama, Alfred Palacios, Ben Pena and John Mendez. Loto Faagata was atop the league in the Shotput. Sprinters/Jumpers: Michael Wooten, Mike Harris, Ken Rogers, and Maurice Garrett helped the team's overall depth. Joey Villarama was our top 330 L.H./120 H.H., and lead-off on the 440 Relay. Jesse Casillas and David Clark were with the best in the Polevault.

Front Row: Jesse Casillas, Paul Holley, Ben Pena, John Mendez, Bill Villarama, Joey Villarama, Jerry Thaxton, Geno Medina, Second Row: Coach Dennis Hudson, Coach Aggie Contreras, Tom Watkins, Cecelio Fermin, Mario Bueno, Jacob Logologo, Ty Goodwin, Jose Sepulveda, Robert Cornick, Coach Don Brown, Coach Glenn Kaskela, Last Row: Alfred Palacios, Brian Moorhouse, Genaro Nunez, Michael Wooten, Ken Rogers, Stewart Ibrahim, Mike Harris, Garrett Spencer, Tagaloa Manu, David Clark, Everett Ferguson.

Running, Jumping . . .

The tradition was continued for another year. The Lady Pirates were among the best in the S.G.V.L. Lynwood and Cerritos were also contending for the championship. A well balanced team of returning lettermen and new young talent helped fill in places we were weak last season. Individual standouts were: Jackie Castro, Ana Covarrubias and Deanna Goodwin were our top distance runners. Jackie and Ana were both 4 year varsity team members. In the sprints, Priscilla Manning was one of the best in the S.G.V.L. A strong group of field event athletes gave the Lady Pirates a well balanced team: Yvette Martinez- L.J./T.J./H.J., Alisha Chatman, Christine Duffy and Tausisii FoaFoa were our top shot put and discus athletes. In hurdles, Marlene Perales and Yechel Martinez were top quality newcomers. Other standouts included Tomica Colbert and Esperanza Carrasco- both freshmen. Our girls have worked hard to continue the success of the Girls' Varsity Track.

Far Beyond Our Limit

Perfection To A Tee

This year's 1985 Varsity Golf Team is at its reconstruction stage, with only two returners, Don Roberson, captain, and Mark Owen, co-captain. The nine man team consists of five Juniors; Don Roberson, Mark Owen, James Goree, Juan Villasenor, George Garcia, and four Freshmen; Ron Casey, Ray Roberson, Timmy O'Toole, and Louie Rutty. The major goal of the young Varsity team, is to form a much stronger and more competitive team for the near future. This can be accomplished with the help of Head Coach, Mr. Olsen and assistant coach, Mr. Maras, because they really know what they're talking about when it comes to golf.

Serving the school and community is what Corsaires is all about. Under the guidance of Mrs. Lash, the Corsaires have been very helpful at many functions. During the year, they serve at educator luncheons, business luncheons, various senior citizen luncheons, and also sponsor and ride in the annual Donkey basketball game.

This years Lettermens Club was one of the strongest and biggest ever. With at least 50 members attending the weekly meetings, this group came together as one to raise funds for all the Club's activities. The biggest expenditure for this club is the purchasing of the patches. By attending meetings regularly and selling popcorn at the Varsity sporting events, members can earn points toward receiving Lettermen's club patches. The club advisor, Coach Kaskella, and the officers have worked very hard to make this year a success.

The members of the Thespian Club, also referred to as Drama Club, worked very hard towards being creative actors or actresses as well as captivating the audiences attention.

Throughout the years Mrs. Shuger has become well liked by many students and she has encouraged her students to continue in the field of theaters. But of course, PHS has some fine entertainers so they're sure to be successful in the field of Arts.

P.H.S. Goes Marching On

The P.H.S. marching band, under the baton of Mr. Douglas Fischer, had a busy fall semester. In addition to performances at all of the football games, they participated in field show tournaments and parades winning several awards in their band and tall flag categories. The drum major was Gabriel Negrete. Tall Flag captains were Sherlene Stepp and Jennifer Welty. With the addition of new uniforms and flags they will assume a new look.

P.H.S. is fortunate to be one of the only schools in the area to have a string orchestra. Our major performance for the fall semester was the holiday concert held in December. Performances in the spring included festival, spring concert and various other activities. The string program is a growing one. One which will continue to develop fine musicians from P.H.S.

The photo club, sponsored by Mr. Billick, gives its members chances to express their artistic talent through the medium of photography. They learned to develop their own pictures and all the technical aspects of making beautiful prints. Queens of Cuisine

FHA was established in 1984 as an integral part of the homemaking department. Chapter members selected working with Paramount Convalescent Hospital as one of their special outreach projects. The making of patient bibs and weekly craft workshops with the patients has been a rewarding experience. Serving luncheons and dinners to senior citizens, business people and educators has also been on the calender. Planning and decorating for the holidays at Paramount Convalescent Hospital has given students an opportunity for being creative. Participation in Region 9 Competitive Recognition and in the State Leadership Conference in Anaheim completed a busy year. Fund raisers have included cookbook sales, boutique and parking lots for the Swap Meet.

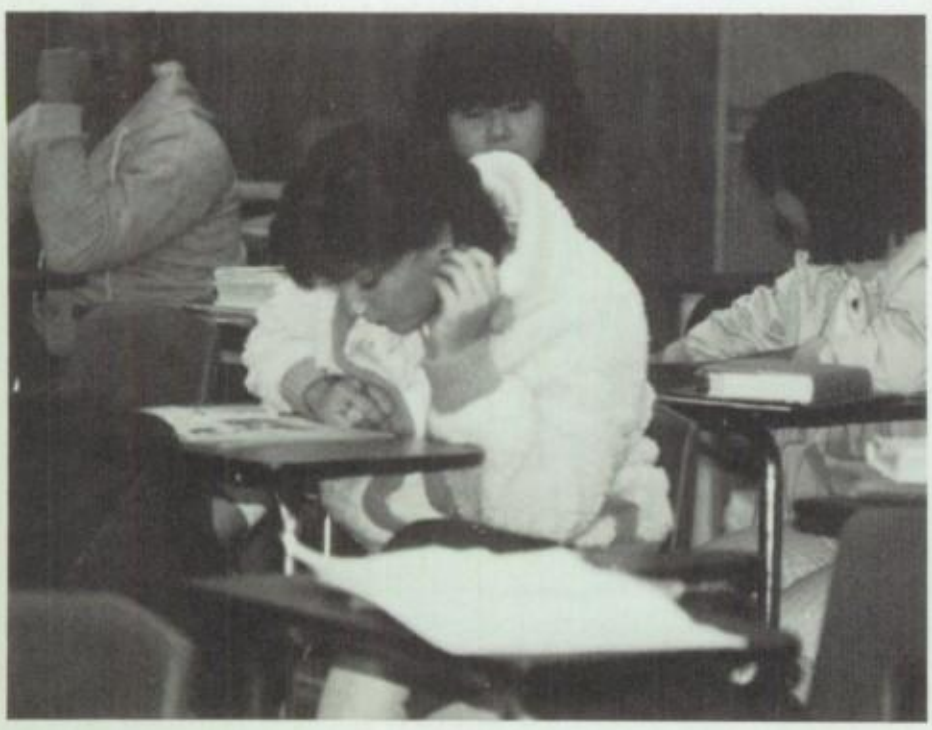
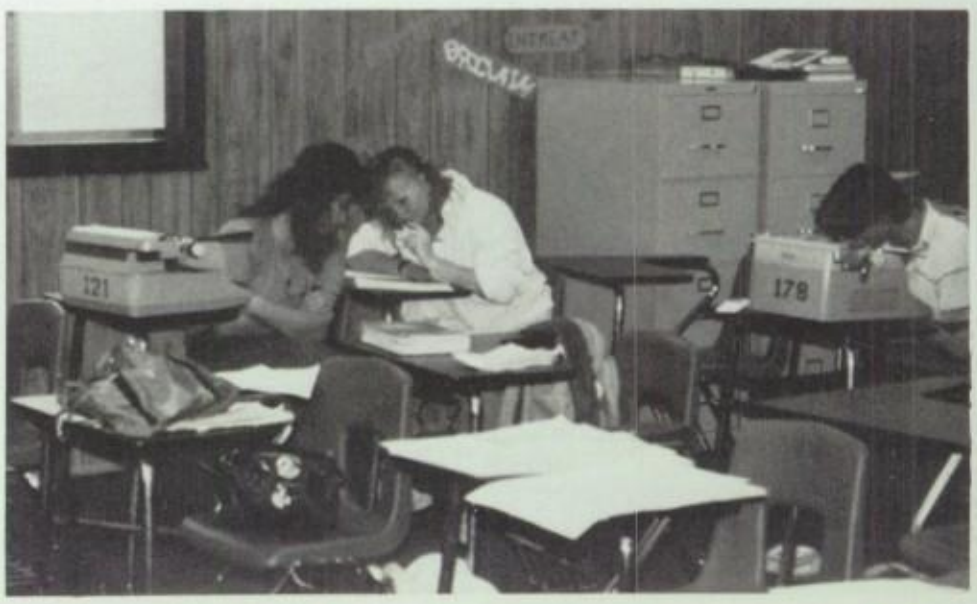
Journalism . . . it not only brings us together, it gives everyone an opportunity to get involved. Everyone works together to put out the best newspaper possible. Being able to choose what you write about makes the class interesting and sometimes exciting.

Journalism is not only an elective class but is also part of a club. Twice a year, club members are rewarded for their year-round efforts through field trips which are funded by the club account. So as you can see, it's not all work.





Here are this year's Photo Club Contest Winners. 1st prize was a pizza lunch and the printing of your photo in this year's yearbook. Congratulations to the winners!

The Final Step

If this book is opened with a feeling of anticipation and closed with delight then the work put into this edition has been worth while. Those that have been a part of the yearbook production deserve to be recongnized and thanked personally. First on the list is the 1984-1985 Yearbook Staff . They worked closely together as friends and colleagues and had a very productive year. They should be congratulated on the hard work all of them put into each page. Next our advisor, Mr. Bond, who was always there watching over us and giving us guidance. His help and determination was always reassuring. Jack Tingley our representative from Jostens was also a dominating figure in our success. He was at our side whenever we needed him, and always prepared with the answers we sought. Pace Studios qualifies as well for our sincere appreciation. Without them, we would have quite a few blank pages. Our advertisers also played an important part in the making of the yearbook. They are definitely worthy of acknowledgement for their support. The entire student body of Paramount High School also deserves a word of thanks.Without you there would be no reason for a yearbook. My personal thanks goes out to two very special people on my staff. First being Regina Angon, Production Editor, for all her support and friendship. We've been through a lot in the past two years and I am going to miss you. Good luck next year as Editor-in-Chief. Next, I would like to thank Jon'a Meyer for her expertise in handling the business end of the yearbook. In closing I feel that this thirty-second edition of the Jolly Roger fullfills its purpose as a pictorial remembrance of our 84-85 year at P.H.S. After all isn't memories what a yearbook is all about?

Sincerely,
Tami Ragan
Editor-in-Chief
